

# Busselton Croquet Club Results

May saw the club's **2023 Golf Croquet Singles Championship** underway. It was a flexible arrangement, where players arranged among themselves to fit in a game when lawns and times became available.

The arrival of Kim and Megan Reynolds at the club gave us a huge boost: Kim as an ex state golf croquet player and a generous, experienced coach; Megan as a state association croquet player, enthusiastic coach and promoter of the code.

Kim entered our championship and was immediately the one to beat.

Robyn Dart, our 2022 Club Champion, State Women's Singles Champion 2022—23 and State Open Doubles Champion 2021—2022 and 2022—2023 lost to Kim 7—6.

However, Kim did not enjoy a clean sweep. Vicki Duffell beat him 7—4. In acknowledging our applause, Kim told us that he had played well against Vicki, but she had beaten him with a superior performance. He encouraged more members to enter and test themselves next year.
